

Titan PR448

Comfort Zone™
by GOLDEN

The Titan is medium-sized and offers a stylish, overstuffed seamed back design, plush chaise pad, and numerous standard features providing hours of unmatched comfort. Your positioning options are endless with our 4-Zone Comfort Zone Positioning System, which includes our patented MaxiComfort® Positioning, adjustable headrest and adjustable lumbar all operated by our programmable AutoDrive™ hand control. Other features include a built-in cup holder, wireless smartphone charger, and accessory mount with a table, conveniently located in the open arm design. Also standard is an additional USB charging port for your phone or tablet located on the side of the chair.

Standard Fabrics:

Acorn

Graphite

Maple

This faux leather is a rich and modern alternative to natural leather that is extremely comfortable while offering the rugged durability of leather. Made from 100% polyester, the fabric is easy to care for ensuring functionality as well as elegance. This long-lasting fabric will complement a variety of decors while standing the test of time under heavy use.

Crossover fabrics are unavailable.
